

Come Join Cancer Society's RELAY FOR LIFE

What is relay for life?

It's a 12 hour non-competitive relay in which team members take turn walking around a track to celebrate, remember and fight back for all those affected by cancer. However everyone in the community is invited to come along and experience this inspiring event.

Throughout this fundraising event there will be a series of spirit raising activities and entertainment from multiple societies such as food sales, live music, yoga etc.

The candle of hope ceremony takes place in the evening when the sun sets. Candles are set around the tract to commemorate those who have lost the battle.

Where: Outside Bailey Allen Hall

When: Wednesday, April 15th

Time: 6 pm to 6 am
